## CONNECT WITH FRIENDS

Be part of a network of tree stewards in your area and across the country

<https://healthytreeshealthycitiesapp.org>

## App Features

### Tree Care

Nurture your tree by watering, mulching, weeding, staking, and creating tree beds.

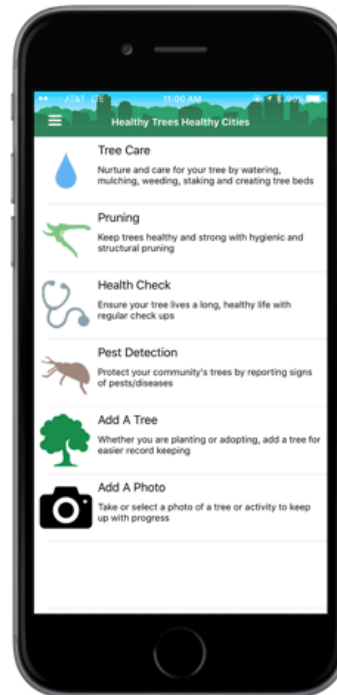

### Pruning

Keep trees healthy and strong with hygienic and structural pruning.

### Health Check

Ensure your tree lives a long, healthy life with regular checkups.

### Pest Detection

Protect your community's trees by reporting signs of pests and diseases.

### Add A Tree

Planting or adopting? Add a tree for easier record keeping.

### Add A Photo

Take or select a photo of a tree or activity to keep up with progress.
